EASTERN REGION MEETING
SUNDAY 26th MAY 2024

FOR THE ATTENTION OF BLACKDYKE REGULARS

It's that time of year when we look forward to see mayfly emerging to complete their lifecycle. Hopefully the insects will cooperate, hatch and bring the fish up with them to the surface.

Often referred to as "*Duffer's Fortnight*" it can still be tricky to tempt feeding trout: as with so much in fly fishing presentation is paramount.

As part of our regional meeting regulars at Blackdyke are invited to take advantage of a wealth of expertise and experience. We are offering, for the nominal sum of £5, any angler to have the exclusive attention of GAIA qualified instructor for a 30 minute 1-to-1 session.

You could focus on casting a fly, how to improve your technique, how to extend your repertoire of casts and how to tie a range of suitable artificial mayfly patterns such as nymph, emerger and adult.

This also gives our instructors a chance to continue with their professional development.

If you wish to sign up for a session please see Dean Barton and book it with him together with your payment.

ALL PROCEEDS WILL GO TO THE ANGLING TRUST & WILD TROUT TRUST
